

**Mission Statement-** To give you control of your own engraving and increase productivity.  
**Control over-** Staff training, Urgent delivery, Cost, Cutting, Quality and Durability  
**Our Goal is to deliver an Easy to Operate System,** to include Training and DVD tutorials, Reliable equipment, Time saving accessories and Durable materials.

### TRAINING

Over the life of an Engraving Machine, it may have, on average, 25 Operators and outlive 4 different hard drive or reformat. Our training DVDs will walk new staff through a step by step how to engrave process.

Learning will be enjoyable and reinstalls will be simple.

Training Video \$400

### EQUIPMENT
